3. Mr. [REDACTED] advised that DD/S appeared generally to favor Mr. [REDACTED] paper on VIP briefing, but that DD/S was in the process of touching base on this with DD/P. Mr. [REDACTED] will notify PPS as soon as DD/S has approved this paper.

4. He asked that I inform DTR that in the very near future a memorandum would be sent out from DD/S to all office heads making reference to the 5 February 1959 memorandum on ceiling objectives and which would announce in effect that the 3 per cent reduction is the ceiling for Fiscal Year 1960, not just the objective. Our recent request for an allowance for additional JOT's will be handled as a separate matter. We may get 160 or perhaps just 140 slots. In any event, it is likely that the DD/S may wish to review this increase at the next Deputies' meeting.

5. I asked whether or not any details had been received by DD/S as to what information Mr. Macy of the Bureau of the Budget might want on training. No details have been received as yet; however, Mr. [REDACTED] will inquire further of DD/S and let us know.

While he will be in the Washington area probably as of 20 or 21 August, he probably will not report back for duty until the last of August.
